

ECONOMIC IMPACT STATEMENT

K.A.R. 115-30-5. Boating; capacity plate and operation; calculation of person capacity.

DESCRIPTION: This permanent regulation establishes provisions regarding capacity plates.

The proposed amendment provides a formula for calculating the person capacity of certain monohull vessels that lack a capacity plate. The proposed changes would be effective on January 1, 2008.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed amendment should not have a significant economic impact on the department, the general public, or other agencies.

ALTERNATIVES CONSIDERED: None.
