

ECONOMIC IMPACT STATEMENT

K.A.R. 115-8-1. Department lands and waters; hunting, furharvesting, and discharge of firearms.

DESCRIPTION: This permanent regulation establishes certain requirements for and restrictions on certain activities on department lands and waters, including hunting, furharvesting, and other discharge of firearms. Over a period of many years, posted notice has been used to restrict access to certain properties and enhance recreational opportunities. Many of those posted notice restrictions have become long-term policies and to better inform the public as well as enforce the posted notices, the department has consolidated many of those notices into a reference document for adoption by reference. This is an update to that reference document, particularly related to the possession of alcohol and a recent legislative change.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies, small businesses or the public.

ALTERNATIVES CONSIDERED: None.
